ÍSF vil keypa hús í Gundadali

Ítróttarsamband Føroya hevur í hyggju at keypa eini sethús í Gundadali. Tað eru húsin, býráðið keypti frá Elisabeth á Húsagarði.

ÍSF hugsar sær til, at Fótíttssamband Føroya skal húsast í sethúsum.

ÍSF hevur havt fund við býráðsformannin um atlæða húsakeyp, og upp-

skot teirra er at keypa húsin fyri hálva aðru mió. krónur, harav ein mió. skal gjaldast kontant, og restina skal býráðið veita við rentufrium láni.

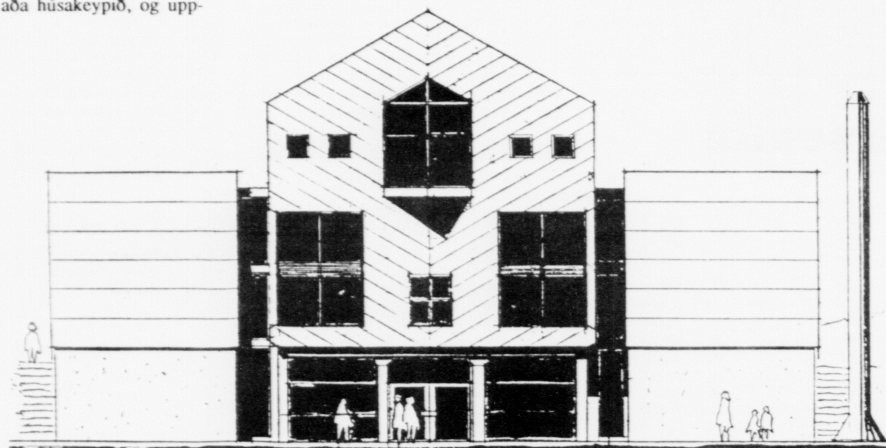

Tórshavnar býráð fer á fundi í kvøld at taka støðu til keypið. Figgjarnevndin tekur undir við, at býráðið

selur húsin við gjaldstreytunum, ÍSF hevur skotið upp.

Í juni í fjør fekk ÍSF-forsetin handað skitssupprojeckt, av nýggjum ÍSF-húsið. Ítróttarsambandið hevði bílagt projektið frá arkitektunum Magnusi Hansen og Janusi Sørensen.

Málið tókst rættiliga ógreitt tá, men nú letur til, at ætlanin um eitt nýtt ÍSF-hús eru sleptar fyrbils, tí talan er nú um at keypa eini sethús í Gundadali
