

Og boð-
skapurin frá
stevnuni til
hvønn einstakan
føroying var
tann sami sum
altíð: Vend tær
frá heimins
synd, og vel
vinin besta...

A black and white photograph capturing a large congregation in a church sanctuary. The people, of various ages, are standing in rows, many holding books or papers, likely participating in a service. The sanctuary features a high ceiling and a large altar area in the background. The perspective is from the front of the sanctuary, looking down the central aisle.

VEL VININ BESTA

Hetta heildar mynstrið
gerandisdegnum er sjálf-

– Onkur teirra hefur sagt, at það at fara til samfelagsmóti er sum at fáa battarið lótt av nýggjum.
