

Transport Service Centre

Tórshavn, the capital of the Faroe Islands, is the centre of Eimskip's operational network in the Faroe Islands. Apart from offering professional service for import, export as well as domestic transport, the Eimskip office in the Faroe Islands offers fully integrated transportation - ground operation, warehousing, coastal service, trucking and intermodal transport.

- Ship agency, service and own stevedoring
- Information technology
- Logistics services - warehousing, cargo handling and local distribution
- Modern equipment for handling of cargo and containers
- Add 800 professionals to your staff
- a whole team trained to find solutions
