

PREMIER LEAGUE

Keypt og selt fyri eina hálva milliard

FÓTBÓLTUR Beint undir hálvthundrað flytingar fyri eina hálva milliard krónur. Tað var hvat januar flytingarveindeygað hevði at bjóða upp á í Premier League í ár

Tróndur Arge, Liverpool

Robinho, Dimitar Berbatov, Rafael Van der Vaart, Fernando Torres og Andy Carroll. Allir leikarar, ið hava skift feløg á seinasta degi í einum flytingarvindeyga. Hesa ferð bíðaðu fjølmiðlarnir í stórum spennandi eftir stóru flytingini, ið skuldi seta gongd á allar hinar flytingarnar. Hesa ferð kom hon tó ikki og tí gjørdist talan ikki um ein rok-miklan seinasta flytingardag.

FIFA Finical Fair Play

Nýggja reglugerðin hjá altjóða fótballtssamgonguni tykist hava

havt stóra ávirkan á hvussu nógvir pengar eru brúktir í januar. Í fjør keyptu og seldu Premier League fleøgini fyri áleið tvær milliardir, men í ár er talið bara ein fjórðingur.

Talan er hinvegin um nógvir leigu avtalur og smærri flytingar. Dýrasta keypið í hesum flytingarvindeyganum var Papiss Demba Cisse, ið skifti til Newcastle fyri nakað undir 100 milliónir krónur.

Chelsea keypti samanlagt fyri mest. Chelsea hevur keypt Gary Cahill og Kevin de Bruyne fyri áleið 150 milliónir krónur.
