The Faroes Partnership

Around the Faroes and all over the world

SANSR

Thor is an experienced company that you can rely on for work around the Faroe Islands and all over the world.

We supply ships, crews and services for oil, seismic, cable and pipe laying companies, as well as for environmental studies and training purposes.

With our versatile fleet and resources we are able to provide for your precise needs.

Our main services are:

- Chase & Support
- Guard
- Stand-by & Rescue
- Supply & Training
- Vessel Procurement
- Ships' Agency
