IELTS™

IELTS is the world's most popular
English language test for
higher education and global migration -
over 2 million tests taken in the last year

Study abroad? Need an English test?

The IELTS English test (Academic) opens doors to international education.

If you plan to study at undergraduate or postgraduate level in an English-speaking country, take IELTS, accepted by most of the world's prestigious academic institutions.

IELTS is accepted by most universities in Australia, Canada, New Zealand, the United Kingdom and by thousands of universities in the U.S.A.

Work abroad? Need an English test?

The IELTS English test (General Training) is accepted by employers, immigration authorities and professional bodies world-wide

Governments use IELTS to process immigration applications in many English-speaking countries, including Australia, Canada, New Zealand and the United Kingdom.
