EYSTUROY IN A DAY

FUGLAFJØRÐUR

Start your morning with excitement where the local inhabitants in the past escaped to a refuge in the mountain called 'Uppi á Húsi' when the pirates raided the village. Check with the tourist centre for a guided tour. Other attractions in Fuglafjørður are the remains of a viking farm over a 1000 years old and the small warm spring Varmakelda with a tale of healing power on certain illnesses.

SKÁLAFJØRÐUR

Test your skills in the rough Faroese waters by participating in a boat race in Skálafjørður. The boat race uses rowing boats modeled from the long boats in the Viking Era. Because these races are generally arranged for groups, contact Visit Eysturoy for more information about this in advance so that proper arrangements can be made in time.
