

EXPLORERS OF THE NORTH ATLANTIC, WELCOME TO A ONCE IN A LIFETIME HOLIDAY EXPERIENCE

Have you ever been there? Have you ever stood in the midst of the harsh and fascinating landscapes of Iceland or the Faroe Islands, overwhelmed by your impressions? Have you explored these rugged islands and experienced sceneries that you thought were only available on photographs? Have you been thrilled by the magic light of the midnight sun? No queues of tourists, only serious travellers in search of a very special experience?

Smyril Line enables you to experience Iceland and the Faroe Islands at their very best – especially if you take your own car with you. Drive as you like and see fantastic glaciers, bathe in therapeutic thermal springs and see the fascinating geysers. See the petrified lava around the volcanoes and ford the rivers. Ports of departures on mainland Europe: Scrabster, Scotland; Hanstholm, Denmark and Bergen, Norway.

Get ready for a unique experience that you will remember for the rest of your life!
