A black and white line drawing depicting a large crowd of people gathered in front of a building. In the foreground, a large, textured ball is being rolled down a ramp or path. Several people are pushing the ball from behind, while others are running alongside it. The crowd is dense, with many people looking towards the ball. The building in the background has a gabled roof and several windows. A small, square structure is visible on the left side of the building. The overall scene suggests a public event or a game.
