

Sílaveiðá á Nesvatni

Í Nesvatni er ein stovnur av smáum sílum, men til tess at skapa størri spenning, verða í fiskitíðini (mars-oktober) regluliga slept stór alabogasil (2-5 kg), soleiðis at ein hóskaandi nøgd av stórum sílum altíð er í vatninum.

Kostnaður

Bergen Tankers AS is a shipping company on the west coast of Norway that operates 5 Oil Tankers, between 600 – 4500 dwt. Our ships operate mainly on the Norwegian coast and in the Northern North Sea. Our ships sail under NOR-flag and we have Norwegian crew. Today we have over 60 people permanently employed. We are looking for qualified people for the following positions:

**Chief Officer on board MT
SOTRAOIL (OIL)**

Grt: 263 Prop.Eng: Diesel Prop.Power
464 kW
D5 and pilot license for norwegian
coast required.
This is a permanent position which
must be filled urgently.
2 week (14 day) rotation.

**Chief Engineer on board MT
BERGEN STAR (OIL)**

Gr:3.618 Prop.Eng:Diesel Prop.
Power 2990 kW
M3 required. This is a permanent
position which must be filled urgently.
Start date is the 22. of June 2008 with
a 4 week rotation.

**Engineer on board MT BERGEN
NORDIC (OIL/CHEM)**

Grt: 2.490 Prop.Eng: Diesel Prop.
Power 2040 kW
M4 required. This is a substitute
postion for summer 2008 with the
possibility of permanent employment.
Start date is 07 mai 2008 with a 4
week rotation.

**First Mate on board MT BERGEN
NORDIC (OIL/CHEM)**

Grt:2.490 Prop.Eng:Diesel Prop.
Power 2040 kW (OIL/CHEM)
D4 required and pilot license for
norwegian coast requested.
This is a permanent position which
must be filled urgently.
Start date is the 13. of July 2008 with a
4 week rotation.

*** All positions need to be filled as soon as possible. All positions require Tank Course of highest grade for Oil and/or Chem, up to date health certificate and STCW-95 safety course.
Wages are based on tariff.**
