Supply base

Oil comes in many forms. So does service.

As well as being the major logistics and transport company in the Faroe Islands, Faroe Ship also serves the oil industry.

Supply Base Service

- Loading and unloading of supply vessels
- Stevedoring/terminal work
- Material co-ordination
- Cargo handling—reception, storage and distribution
- Administration of indoor and outdoor storage areas
- Provision of various equipment and merchandise
- Other services upon request

Agency Service

- Genuine 24/7/365 service
- Multilingual staff
- Tradition, experience and local knowledge
- International contacts
- Bunkers, water and provision deliveries
- Crew transport and materials storage
