

National Geographic Traveler:

FAROE ISLANDS – THE WORLD'S MOST APPEALING ISLANDS

Faroe Islands were rated the No. 1 destination
in the world among 111 island communities

Bitland Consulting Group

At Bitland Consulting Group we meet your challenges through the dedication of our highly skilled and experienced professionals.

Bitland Consulting Group can provide you with consultants capable of solving a range of tasks, including but not limited to:

- Information and communication technology
- Engineering and civil works
- Health, safety and environment
- Financial and legal services
- Business development and strategies

Our core skills are based on more than a decade of extensive experience – especially within project management, advanced data analysis, financial planning, IT system design and environmental engineering.

Clients have included major oil companies, energy companies, companies within the financial and other sectors as well as governmental institutions.
