

A VOYAGE WITH NORRÖNA IS A FLOATING HOLIDAY

Norröna is one of the newest ships on the North Atlantic and equipped with modern stabilizers. All cabins are equipped with TV, bath, toilet and wardrobe. In addition all outboard cabins have window and fridge. There are plenty of possibilities to spend time onboard preparing the details of your journey. Sweat your way through at the fitness centre, relax in the sauna or cool off in the pool. Have a drink in the Piano Bar, enjoy the music and a dance in the Viking Club or go shopping in the tax-free shop. Enjoy the hearty buffet in the Norröna Restaurant, tempting gourmet delicacies at the Simmer Dim restaurant or a light meal in the cafeteria. For the children there is a large playground, cinema, play stations and a pool.

Smyril Line enables you to experience the Faroe Islands at their very best – especially if you bring your own car with you. Ports of departures from mainland Europe: Scrabster (Scotland), Hanstholm (Denmark) and Bergen (Norway).
