

Domestic busses and ferries

Strandfaraskip Landsins, the Faroese public transport service, publishes an annual timetable (Ferðaaætlán) containing details of all ferry and bus schedules. It is available from Farstøðin Passenger Terminal in Tórshavn and all tourist information centres. All travel times in the annual timetable are subject to changes and you are therefore advised to check Strandfaraskip Landsins' website, www.ssl.fo, before you travel.

All Strandfaraskip Landsins bus and ferry routes are included in the following map:
