

Solid as a Rock

FØROYABANKI

Føroya Banki has supervised and financed the Faroese business community in good times as well as bad times for the last 100 years. These 100 years have taught us much, and we are ready for more.

Føroya Banki has been awarded an A3 rating from international credit institution Moody's, which means that the international money market can safely trust Føroya Banki.
