

RECRUITING SPECIALISTS

We provide highly specialized and trained man power to the oil industry:

- Electricians
- Welders
- Mechanics
- Machine workers

Since PAM Offshore Service was established in 1998, we have been a natural and reliable partner making services for the offshore industry, primarily in Norway.

For PAM Offshore Service it is very important to build up reliable relations with the industry and to have good partnerships.

The benefit we have got from a long history of maritime involvement, is an obvious advantage in the forthcoming offshore activities in the Faroes.
