

SO FAR AWAY AND YET SO CLOSE ...

Make Gjáargarður your base in the Faroe Islands

Surrounded by the beautiful nature in the picturesque village of Gjógv, Gjáargarður is regarded as the most beautiful guesthouse on the Faroe Islands.

Gjógv and its surrounding area can easily captivate you. Enjoy a peaceful breakfast, go for long walks in the beautiful nature and enjoy a nice dinner during the evening. You can also try the different excursions available in the area. It is cosy, peaceful and refreshing.

But we urge you to see other parts of the Faroe Islands as well. Everything is close, even Tórshavn and the Northern Islands, while the famous Risin and Kellingin, as well as Slættaratindur, the highest mountain, are practically around the corner.

At Gjáargarður we have all the necessary facilities for any occasion and the friendly service will make you feel welcome.

Welcome to Gjáargarð
